El gres reinventado

El granito y la piedra se funden en una moderna composición que mira al tradicional suelo de terrazo para reinventarlo en una amplia variedad de formatos y acabados en pavimento porcelanatto y revestimiento.

Perfectos para suelos que han de aunar delicadeza y resistencia en proyectos arquitectónicos públicos y privados, las propuestas de Couvet para suelo están disponibles en Gris, Visón, Arena y Perla, los dos últimos tonos con una versión Deko que evoca, veladamente, un paisaje de hojas de palma.

Serie disponible en 120x120 R cm, 80x80 R cm, 80X80 R cm CLASE 3 R11 / 60x60R cm, 61,5x61,5 cm y 44,5x44,5 cm.

Reinvented stoneware

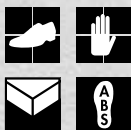

Granite and stone join in a modern composition inspired by traditional terrazzo flooring to reinvent it in a wide range of formats and finishes in porcelain wall and floor tiles.

Perfect for floors that need to combine delicateness and resistance in public and private architectural projects, Couvet's floor proposals are available in Gris, Visón, Arena and Perla, these two last colors in a Deko version that faintly recalls a landscape of palm leaves.

Range available in 120x120 R cm, 80x80 R cm, 80X80 R cm CLASE 3 R11 / 60x60R cm, 61.5x61.5 cm and 44.5x44.5 cm.

Tradición contemporánea

Cuando el concepto toma fuerza sobran los ornamentos. Sutileza en colores y sobriedad en formas para un pavimento de estilo industrial especialmente indicado para espacios de paso y contract. Weekend emula el cemento desgastado para combinar a la perfección con sus variadas opciones de revestimiento.

Con versiones en Arena, Gris, Visón y Grafito disponibles en formato cuadrado y rectangular, Weekend es un pavimento porcelánico esmaltado con el que dibujar superficies que se pierden en el infinito.

Serie disponible en 120x120 cm R, 50x100 cm R, 60x60 cm R, 30x60 cm R, 31X61 CLASE 1 R9 y 31X61 cm CLASE 2 R10.

Contemporary tradition

When the concept takes hold any ornaments are superfluous. Subtle colors and sober forms for a floor tile with an industrial style, especially suited for highly transited and contract areas. Weekend replicates worn cement to perfectly combine with its varied wall tile options.

With versions in Arena, Gris, Visón and Grafito available in square and rectangular formats, Weekend is a glazed porcelain floor tile, ideal to draw endless surfaces.

Range available in 120x120 cm R, 50x100 cm R, 60x60 cm R, 30x60 cm R, 31X61 CLASS 1 R9 and 31X61 cm CLASS 2 R10.

Suma de opuestos

¿Por qué hay que dar algo por sentado? Imprevisible y moderna, Weekend invita a un viaje que no tiene fecha de regreso. Desde la modernidad del cemento a la tradición hidráulica o los detalles de madera trabajada, pasando por originales relieves de corte contemporáneo, la gama propone originales revestimientos que ponen en valor su sobria propuesta para suelo.

Al rigor industrial de sus versiones horizontales en Blanco, Gris y Arena, Weekend suma un original relieve cuadrículado en Blanco, así como un llamativo acabado de marquetería que combina a la perfección con el pavimento Abbey. Finalmente, la serie ofrece dos diseños Suite extraordinariamente diferentes: los modernos relieves orgánicos en Gris y Arena y las composiciones que homenajean al azulejo hidráulico.

Serie disponible en 30x90 cm R, 21,4x61 cm.

Sum of opposites

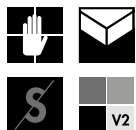

Why do you need to take something for granted? Unpredictable and modern, Weekend invites us on a journey with no return date. From the modernity of cement to the hydraulic tradition or the details of worked wood, passing through original reliefs with a contemporary character, this range proposes original wall tiles that add value to its sober proposal for floorings.

In addition to the industrial rigor of its horizontal versions in Blanco, Gris and Arena, Weekend offers an original squared relief in Blanco, as well as a striking marquetry finish that perfectly matches the Abbey floor tiles. Finally, the range offers two extraordinarily different Suite designs: the modern organic reliefs in Gris and Arena and the compositions that pay tribute to hydraulic tiles.

Range available in 30x90 cm R, 21.4x61 cm.

Texturas minimal

Minimalismo orgánico para una gama de revestimiento que se siente cómoda en mitad de la naturaleza más extrema. Como si de paredes esculpidas en la nieve se tratara, Silence juega con los volúmenes para devolver un tacto único.

En Blanco y Tender Grey, esta colección en pasta blanca propone un formato de gran horizontalidad y acabado mate con relieve.

Disponible en 40x120 cm.

Minimalistic textures

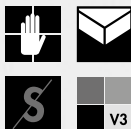

Organic minimalism for a range of wall tiles that fits well into the most extreme nature. As if it were sculpted in the snow, Silence plays with volumes to provide a unique touch.

In Blanco and Tender Grey, this white body collection proposes a very horizontal format and a matt finish with relief.

Available in 40x120 cm.
